### REACH

In accordance to article 33 of the REACH regulation, any supplier of an article containing a substance on the candidate list in a concentration above 0.1% (w/w) shall provide the recipient with sufficient information to allow safe use of the article, including as a minimum, the name of that substance.

Please be advised our polyurethane protection products contain < 1% of 2-(2H – benzotriazol-2-yl)-4,6-ditertpentylphenol (Cas: 25973-55-1), which is currently on the candidate list for Substance of Very High Concern (SVHC).

Please do not hesitate to contact us if you require further information.
